

GT-AD9215

DRYER

GT-AD9215

Characteristics

- High efficient dryer ▶ Reduce operating cost
- HACCP certified machine ▶ Ensure hygiene standard
- Mechanical circuit control ▶ Minimizes down time & repair cost
- 3x4.5 kW heating element ▶ Power drying result
- All stainless steel components ▶ Durable & reliable

Technical Data	GT-AD9215
Autoenergy saving system	Yes
Blower weight	125 kg
Loading height	450 mm
Motor power	1 or 2 HP
Drying temperature	60–75°C
Heating element	3 x 4.5 kW
Air circulation	2900 m ³ /hr
Electrical loading	15.5 kW / 22A
Return pan size	483 x 450 mm
Exhaust vent	400 x 100 mm
Air jets	3 (500 x 20 mm)
Power supply	415 V / 50 Hz / 3 Phase
Dimension	W 921.5 mm x D 706 mm x H 2001 mm
